Note: GNYHA Services, Inc., through its Regional Contracting Program (RCP), maintains a portfolio of “Direct Contracts” that provides coverage for an array of products and services, primarily geared to the acute care healthcare community. The RCP portfolio, which includes this agreement, covers such diverse areas as materials management, support services, nursing and surgical supplies, food, facilities, operations, imaging, laboratory, pharmacy, energy, data security, legal and regulatory compliance, emergency preparedness, document maintenance, patient access, and revenue enhancement. These Direct Contracts are in addition to those contracts offered through GNYHA Services’ national group purchasing partner, Premier Inc. All GNYHA acute care members and members of GNYHA-affiliated organizations (regardless of their individual national GPO affiliation) are eligible to participate in the GNYHA Services’ RCP, thereby gaining access to RCP’s portfolio of Direct Contracts. To participate, a member must be enrolled in RCP. There is no cost to enroll and enrollment does not obligate a member to participate in the GNYHA Services/Premier Group Purchasing Program. To determine if your institution is already enrolled in RCP or to enroll, please contact Amy Kaufman at GNYHA Ventures at (212) 259-0730 or Kaufman@gnyha.org.
